win up to RM30,000* in cash prizes!!!

The Pharmaceutical Association of Malaysia (PhAMA) is an organization which represents multinational companies involved in the Research & Development, Manufacturing, Marketing and Sales and the Distribution of innovative medicines in Malaysia. The association was formed in 1972 and our members currently stand at 44. Our member's activities are centered towards providing access of innovative medicines to improve the health and quality of life for all Malaysians.

PhAMA is pleased to announce that this year we will kick off our inaugural PhAMA Awards 2014 as an important initiative to encourage and recognize the innovation and research, and community impact that students, researchers, members of the academia, health care professionals as well as members of the public has contributed to the society. The contest is divided into two categories i.e. the Minister of Health Innovation & Research Award and the PhAMA President's Community Impact & Awareness Award.
