

Seminar on:

**Understanding of CGTP Requirements and Guidelines
& Regulatory Updates on Biotherapeutics including Biosimilars**

Speaker:

Puan Arpah Abas

Head of Biotechnology Section, Centre for Product Registration, NPCB

Date: 01 April 2015 Time: 2.00-5.00pm

Venue: Eastin Hotel, Petaling Jaya, Selangor

A key objective of this Seminar is for the industry to gain a better understanding on the new regulatory requirements for Cell & Gene Therapy Products (CGTP). The NPCB has recently disseminated a draft guideline on CGTP for stakeholders' comments. As this is a new area to most members of our industry, a Subject Matter Expert from NPCB has been invited to give a presentation on the CGTP requirements and the proposed guideline. A presentation on Regulatory updates on Biotherapeutics including Biosimilars will also be covered at this Seminar. It is envisaged that this seminar will help to enlighten the industry on these subjects and will enable the industry to keep abreast of advances in biologicals and to work in tandem with MoH's evolving regulatory requirements in these new areas.

Registration Form

Full Name	:	
Title	:	
Nationality	:	
Organization	:	
Job Title	:	
Mailing Address	:	
Telephone no	:
